Read aloud

1. Listen to these words: drum, bell, horn. Which one did I say just before horn?

2. Two children each put three books on a shelf. One book falls off. How many books are still on the shelf?

3. Rain starts as you walk home. Which thing can you hold open above your head to stay dry?

4. Which picture does not belong with the other three?

5. Point to the box with a triangle above a square.

6. Look at the row. Which shape comes next?

Answers and reasoning

1. A The order is drum, bell, horn. Bell is right before horn.

2. B Three books plus three books makes six. One falls off, leaving five.

3. D An open umbrella makes a cover above your head and shoulders.

4. B An apple is food. A bus, train, and sailboat can carry people.

5. C Only C has a triangle on top and a square underneath.

6. C The group is circle, circle, triangle. After two full groups, a circle starts the next one.
